

Features

Divided by two small professional grade monitor speakers; Using high-power titanium treble, and high-power low-frequency transducer, it can work easy and the high frequency would be more clearer and stronger; applicable in Kara OK rooms, DISCO rooms and other small high-fidelity sound places.

Specifications

Model	TS-10W
Impedance	8 Ω
Frequency	60Hz-20KHz
Power	250W
Maximum power	500W
Sensitivity	100dB
Coverage	(H)90° (V)45°
Treble	ϕ 34 Titanium diaphragm tweeter
Bass	ϕ 190 Magnetic 10-inch bass
Cabinet Material	15mm HDF
Cabinet Finish	Dark gray paint
Dimensions	360 x 290 x 540mm
Weight	20Kg
