

Descriptions

The economy range mixer amplifiers have power ratings from 30W to 60W. They are featured of 2 microphone inputs and 2 aux inputs..Mic1 with VOX priority over other inputs. Individual gain controls are provided for Microphone and aux, bass and treble controls and master volume control are provided.70V, 100V and low impedance 4-16 ohms speaker outputs are provided. Extensive protection with indicator from short-circuit, overload and high temp. Fainless cooling system to ensure extreme quite sound system.

Features

- * Mixer amplifier for paging and background music system
- * Rated power from 30W to 60W
- * 2U 19" universal rack mount design
- * 70V, 100V and low impedance 4-16ohm speaker output
- * Two Mic and two aux inputs
- * Mic 1 with VOX priority and VOX level on front panel
- * Mic 1-2, Aux 1-2 and master volume controls and bass/treble tone control
- * Short circuit, overload and high temp protection

Specifications

Model	T-60C
Power Output	60W
Speaker Output	70V, 100V & 4Ω
Frequency Response (@50% power output)	50Hz~18KHz
Power Supply	~220V/50Hz
Power Consumption	96W
Dimension	484x350x66mm
Weight	9.6Kg

Connections
